

EXECUTIVE HEAD UPDATES

Summer 2026

A welcome from Exective Headteacher, Mrs Ruthven

As we reach the end of another successful academic year, I would like to take this opportunity to reflect on all that we have achieved together as a school community.

This year has been marked by continued growth and ambition to ensuring every child is known, valued and enabled to flourish. Across the school, pupils have embraced opportunities both within and beyond the classroom, demonstrating enthusiasm and a genuine love of learning.

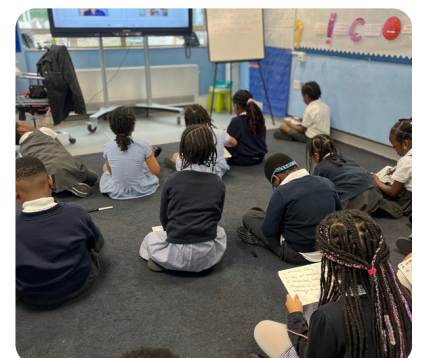

We were especially delighted to celebrate the many achievements of our pupils this year, including their academic progress, personal development and contribution to the wider life of the school. Their kindness, confidence and commitment to our Catholic values remain a source of great pride.

I would like to thank our staff, Governors and families for their continued support and partnership throughout the year. **Together, we have created a nurturing community where children can thrive.**

As we begin the summer holidays, I wish all of our families a restful, joyful and blessed break. May the summer months provide opportunities for rest, reflection and precious time with loved ones.

We look forward to welcoming everyone back in September for another exciting year of learning and growth.

School Award Winners 2026!

A message to our Year 6's

Well done on everything you have achieved this year! You should all be incredibly proud of yourselves and of how much you have grown, not only in your learning but also as kind, confident, and caring individuals. Although I have only had the pleasure of teaching you for the last six weeks, it has been a privilege to get to know each of you. I have been so impressed by your hard work, dedication, resilience, and willingness to always try your best.

Thank you for making my time with you so enjoyable. I wish you all the very best of luck as you begin your exciting journey into Year 7. Keep believing in yourselves, working hard, and being the amazing people you are—I know you will all achieve wonderful things.

~ Mr O

Together We Learn, Together We Grow, Together We Excel

Attendance

Our attendance this summer term was affected by the outbreak of chickenpox. Despite this, we are pleased that our overall attendance remains in line with the national average.

We kindly ask all parents and carers to avoid booking holidays during term time, as these absences cannot be legally authorised except in exceptional circumstances.

Regular attendance is vital in primary school. Every day in school gives children valuable opportunities to learn new skills, build confidence, develop friendships, and strengthen the social and emotional foundations that will support them throughout their education and into adulthood.

Thank you for your continued support in ensuring your child attends school every day whenever they are well enough to do so. Together, we can give every child the very best opportunity to succeed.

~ Mrs Jallow

EYFS have been developing key skills while enjoying our construction shed!

New laptops arrived and this children have been enjoying them in their computing lessons.

Year 2 have been learning about British history, drawing Margaret Thatcher!
